Interview Summary

In a telephone interview of June 23, 2008, the outstanding issue in the Office Action of March 21, 2008 was discussed with the Examiner. It appeared in the interview that the Examiner and applicants agreed that the statement of common ownership and an exhibit, which were submitted with applicant's Amendment of October 15, 2007, should be sufficient to overcome the outstanding issue in the pending Office Action. See Amendment of October 15, 2007, pages 15-16; Exhibit A. The Examiner indicated that the pending claims would be considered in an allowance conference between the Examiner and a Supervisor.

The application should now be in condition for allowance. If, however, questions remain after consideration of the foregoing, the Office is kindly requested to contact applicants' attorney at the address or telephone number given herein.

Respectfully submitted,
